

PRODUCER OF SOLES AND SHOE BOTTOMS
(TR, PU, EVA)

FLYTECH[®]

We are a company operating on the market since 1997. At the beginning, we started with the production of soles made from thermoplastic and polyethylene. Over time, we have expanded the scope of our activities with the production of EVA and handmade soles. We try to meet all the expectations of our customers, which we have been taking care of for the past 25 years.

CEO and the founder of company, Paweł Żak.
